

### Petition for Approval of non-UB Transfer Credits

- Each **graduate program will determine the applicability** of courses proposed for transfer credit.
- Only graduate courses completed at accredited or recognized institutions of higher education and **with grades of full "B" or better are eligible** for transfer credit.
- Courses with **grades of "S" or "P" are eligible for transfer credit** except when the transfer institution's grading policy equates S or P with lower than a full "B" grade.
- **No more than 20% of a master's program** may be comprised of credits from another graduate degree program. For example, students pursuing a 30-credit UB master's degree may transfer up to 6 graduate credits into their program. Students pursuing a 45-credit master's degree program may transfer up to nine graduate credits.
- Transfer credits for a **doctoral degree may constitute no more than one-half the total credits** for that program.
- A minimum of 90% of all credits applied to a **UB Advanced Certificate credential** must be comprised of UB graduate credit; no more than 10% can be transferred from another institution.
