1Tuition indicated above is the 2020-21 tuition rate for the academic year only (September–May). Tuition and fees are subject to change. Tuition can increase annually (but doesn’t always). The above tuition is for Fall and Spring semesters and is based on the “flat tuition” model where the cost is the same for 12 or more credits (it is not per credit). Summer and Winter session tuition and fees are not included above; Summer and Winter tuition is charged per credit; standard graduate tuition and fees are approximately $1,200 per credit hour.

2Health insurance is listed for a full calendar year.

3Minimum allowance for least expensive on-campus housing and food costs for the Fall and Spring semesters (one academic year); optional Summer and Winter sessions and school breaks are not included (if the student were to live on campus in those periods). The university estimates that students will need an additional $1,500 or more for books and supplies, and $1,500 or more for personal expenses and incidental costs.

The above figures are estimated costs and are subject to change without notice. Total costs typically increase 5% per annum.

* Dependent Support

An F-1 student wishing to have his or her spouse and/or children accompany him or her must document the following amounts for each family member per academic year of intended study. A marriage certificate (in the original language along with an official English translation) must be provided for the dependent spouse. Birth certificates (in the original language along with an official English translation) must be provided for the dependent children.

For spouse: $8,000 per academic year
For each child: $6,000 per academic year
